PALLIATIVE BOOTCAMP: LATEST UPDATES IN NON-PAIN SYMPTOM MANAGEMENT

Room:

Additional fee session

CME/CE Credit: 4 Track: Clinical Practice

Faculty: VJ Periyakoil, MD & Charles F. von Gunten, MD

A key aspect of caring for seriously ill older adults is excellent symptom management. The goal of this session is to discuss common non-pain clinical challenges encountered by clinicians caring for seriously ill older adults. In the first half of the preconference, we will discuss management of common non-pain symptoms including dyspnea, nausea, constipation, pruritus. In the second half of the session we will focus on common challenges encountered in the last days of life, Ethical issues like palliative sedation and handling patients' requests for physician-assisted death will be discussed. Interactivity with the learners will be stressed using immersion-learning techniques. Through the use of small group learning, we will give all participants an opportunity to grapple with complex real life case studies and use the principles learned to solve the cases. Learning Objectives: (1) list 3 commonly encountered non-pain symptom management scenarios and potential approaches to their alleviation; (2) describe 3 barriers to excellent symptom control in our patient population and potential solutions to these barriers; and (3) list three common management challenges encountered as patients enter the last phase of life and identify strategies to mitigate them.

2:00 PM – 6:00 PM

ADGAP LEADERSHIP SESSION

Room:

Additional fee session

CME/CE: 3.5 Track: Professional Development

Sponsored by the Association of Directors of Geriatric Academic Programs (ADGAP)

This interactive pre-conference will provide participants with essential knowledge and leadership skills to successfully manage their geriatrics programs and grow in the field. Through problem solving activities and small group discussions, attendees will learn how to successfully fundraise and practice their newly acquired skills. Participants will have the opportunity to consult with experts and discuss challenges in small groups to work through authentic scenarios. Session leaders will structure discussion to ensure key points are made in all groups and the groups will share what they have learned. We also will provide tools and frameworks to guide participants' learning before and during the session and to help them to apply these approaches after the session.

SPECIAL INTEREST GROUPS

6:00 PM – 7:00 PM

ACUTE HOSPITAL CARE

Room:

Track: Networking

Chair: Robert M. Palmer, MD, MPH

The mission of the Acute Hospital Care SIG is to improve the outcomes of hospitalization of older patients through enhanced clinical care, dissemination of research findings and education of health professionals. Participants will discuss the impact of the Affordable Care Act on acute hospital care, prevention and management of geriatric syndromes, and value-based practices. The SIG meeting is open to all AGS participants.

6:00 PM – 7:00 PM

AGING AND ORAL HEALTH

Room:

Track: Networking

Co-Chairs: Christie M. Hogue, DDS & Adina Jucan, DDS

The purpose of this SIG is to provide an interprofessional forum where issues that impact the oral health of our aging patients can be presented to discuss a team approach to efficiently coordinate needed treatment. The SIG is intended to be a resource to find and expand access to care and reduce barriers to care when it comes to oral health and aging.

6:00 PM – 7:00 PM

ALCOHOL, TOBACCO, AND OTHER DRUG USE (ATOD) AMONG OLDER ADULTS

Room:

Track: Networking

Co-Chairs: Benjamin H. Han, MD, MPH; Alison Moore, MD, MPH & Brandi Parker Cotton, PhD, MSN, APRN

The purpose of this SIG is to address the dramatic increase in older adults with unhealthy substance use and substance use disorders. This SIG brings together an interdisciplinary group of professionals to collaborate on research and educational projects to raise awareness and address the growing problem of unhealthy substance use by older adults.

6:00 PM – 7:00 PM

CLINICAL CARE FOR HOMELESS OLDER ADULTS

Room:

Track: Networking

Chair: Diane Lynn Chau, MD

The purpose of this SIG is to provide a forum where issues that impact the homeless aging older adult are presented and those that require the team approach to most efficiently coordinate needed treatments for homeless older adults are discussed. The SIG is meant to be a place where the members can interact to find and expand access to care when it comes to caring for Homeless Older Adults.

6:00 PM - 7:00 PM

CLINICAL RESEARCH IN DEMENTIA

Room:

Track: Networking

Co-Chairs: Noll L. Campbell, PharmD, MS & Stephanie L. Garrett, MD, FACP, CHPE

The Clinical Research in Dementia Special Interest Group is committed to networking among AGS members who are dedicated to clinical research in older adults suffering from dementia. Also invited to this SIG are members transitioning to dementia from other focus areas. Members will use this forum to disseminate knowledge and share methods from recent and ongoing projects, as well as identify collaborative opportunities to advance clinical research in dementia.

6:00 PM - 7:00 PM

ELDER ABUSE AND NEGLECT

Room:

Track: Networking

Chair: Ronan Factora, MD

Elder abuse and neglect is common yet under-recognized and underreported. This group of professionals seeks to improve the lives of victims of elder mistreatment and neglect by sharing experiences and ideas as well as through coordinating/collaborating on projects addressing this problem. Members include national leaders in the field working on research and advocacy, as well as clinicians and educators propagating the importance of this topic to healthcare learners. The Elder Abuse SIG fosters collaboration and networking to develop such initiatives amongst its members to forward its mission throughout the year.

6:00 PM – 7:00 PM

NEEDS OF OLDER LESBIAN, GAY, BISEXUAL AND TRANSGENDER PERSONS

Room:

Track: Networking

Chair: Jeffery D. Mariano, MD

Lesbian, gay, bisexual, transgender and non-binary older persons are a vulnerable and resilient group. The position statement by our organization in 2015 communicated a vision and opportunities to achieve health equity. This interest group centers on the analysis of health systems and approaches, advocacy, and education. It is open to all AGS participants who are dedicated to delineating these needs and advocating for older LGBT persons.

6:00 PM – 7:00 PM

OSTEOPOROSIS AND METABOLIC BONE DISEASES

Room:

Track: Networking

Chair: Kenneth W. Lyles, MD

The Special Interest Group in Osteoporosis and Metabolic Bone Disease meets to share ideas so that we can develop programs for the annual AGS meeting to educate ourselves and our colleagues. Topics are proposed, debated, and members agree to work together to create valuable learning experiences. We also spend time talking about interesting and difficult cases, sharing our knowledge and expertise with each other. All AGS members attending the meeting are welcome.

6:00 PM – 7:00 PM

POLYPHARMACY

Room:

Track: Networking

Chair: Zachary A. Marcum, PharmD, PhD, BCPS & David S. H. Lee, PharmD, PhD

The Polypharmacy SIG meeting is an opportunity for those interested in improving medication use among older adults to share ideas, network, and have some fun. Join us to discuss and introduce research and clinical topics being presented at this year's meeting, and to share ideas and interests for next year's meeting. All are welcome!

6:00 PM – 7:00 PM

PROGRAM OF ALL INCLUSIVE CARE FOR THE ELDERLY (PACE)

Room:

Track: Networking

Co-Chairs: Gwendolyn Graddy-Dansby, MD & Susan Hardy, MD

PACE (Program for All-Inclusive Care of the Elderly) is a comprehensive, fully integrated model which provides community-based care for nursing home eligible frail elders. This session will provide information to people who are interested in working with or establishing a PACE organization. In addition people who are currently working with PACE organizations are encouraged to attend to share PACE

stories and best practices for management of older adults with chronic diseases. We encourage anyone with questions to come and explore why this model has become so successful.

6:00 PM – 7:00 PM

SOCIETY FOR GENERAL INTERNAL MEDICINE GERIATRICS (SGIM)

Room:

Track: Networking

Chair: Nancy L. Schoenborn, MD

The Society for General Internal Medicine (SGIM) Interest Group has traditionally been a source of collaborative activity between the American Geriatrics Society and SGIM. Collaborative efforts between geriatricians and general internists who frequently provide care for older adults are synergistic and provide benefits all participants. This interest group will focus on ways to develop products including symposiums and workshops for the annual meetings of both societies, encourage dialogue between members focused on research, education, or clinical care of older adults, and connect members with similar interests with mentorship and opportunity for joint projects outside the annual meetings. We welcome researchers, clinicians, and educators at all levels of training and expertise to our meeting.

6:00 PM – 7:00 PM

TIDESWELL LEADERS IN AGING PROGRAM

Room:

Track: Networking

Co-Chairs: Megan Young, MD; Timothy W. Farrell, MD, AGSF; Liron Danay Sinvani, MD

The mission of the SIG is to support Tideswell scholars and leaders in geriatrics through mentorship, networking, continued leadership training, and scholarship with the ultimate goal of a commitment to enhancing the care of older adults through clinical work, research and education.

7:00 PM – 8:00 PM

OPENING RECEPTION

Room:

Track: Networking

New members, international attendees, and new AGS Fellows will be welcomed by AGS & ADGAP Board members, and leaders from the Council of State Affiliate Representatives at this special reception. Come and ask questions about AGS programs and learn how you can get the most from the meeting and your membership.
