

Continuing Pharmacy Education Credit Application Instructions

To receive continuing pharmacy education credit after participation in the AGS 2022 Annual Scientific Meeting, participants must complete a two-step process:

1. **Apply for CE and evaluate sessions on this CE site by June 11**
AND
2. Answer the ACPE questions in this survey: <https://www.surveymonkey.com/r/RGLFQW9>

Evaluations must be completed by June 11, 2022.

NOTE: All participants who are licensed in the United States must have an NABP ePID in order to obtain credit. This ID number AND your date of birth (MMDD format) must be entered into the Survey Monkey questionnaire above. AGS is not responsible for any errors in submission if your information is inaccurate. Another change to the Program is an established limit for obtaining credits. Credit for programs attended live must be submitted by accredited providers within **30 days** of completion of the CPE activity.
