

SESSION	CMD Clinical Education Hours	CMD Management Education Hours
Cannabis and the Older Adult	4	
What Every Geriatrician Needs to Know About Dementia Diagnosis and Treatment	4	
JAGS Editor's Choice: Influential Articles of the Year	1	
Translational Geroscience: From Biology of Aging to Precision Clinical Care	1	
CPT Coding: Basic Principles and Practice		1
Geriatric Education Materials and Methods Swap	1	
Epidemiology Paper Session	1	
Plenary Paper Session	0.75	
Point-Counterpoint: Are Dementia Voluntarily Stopping Eating and Drinking Advance Directives Ethical, and Should Clinicians Honor Them?		1
New, Novel and Neglected Psychiatric Medications in Older Adults: Practical Considerations for Use	1	
Artificial Intelligence in Geriatrics: Innovations in Research and Clinical Practice	1	
Integrating Social Drivers of Health into Age-Friendly Care		1
The ABCs of NIA Grantsmanship - For Early Career Researchers and Their Mentors	1	
Geriatric Education Paper Session	1	
Henderson State-of-the-Art Lecture	1	
Anticoagulation Update: What Geriatrics Providers Need to Know	1	
Navigating SGLT2 Inhibitors and GLP-1 Agonists Use in the Older Adult: A Guide to Benefits, Risks, and Shared Decision-Making	1	
Elevating your Career and Demonstrating your Value as an Interprofessional Educator: A Conversation between Junior Clinician Educators and Education Mentors		1
NIA Symposium for Researchers at Mid-Career and Beyond – Opportunities for Established Researchers	1	
Equity, Access, and Aging: Meeting Older Adults Where They Are Paper Session		1
Managing Chronic Pain and Opioid Complexity in Older Adults	1	
Addressing Care Delivery in PALTC - How to Bridge the Gaps and Deliver Excellent Geriatric Care in Nursing Homes		1
Geriatricians as Unexpected Leaders: Enhancing Coding and Demonstrating Value Across Care and Payment Models		1
Inspiring and Sustaining an Aging Research Career Through the Ups and Down of Life		1
Better Together: Team Solutions for Better Geriatric Care Paper Session	1	

Yoshikawa Award Lecture: Aligning Medications with What Matters Most: Challenges and Opportunities in Advancing Person-Centered Deprescribing		0.75
Pharmacotherapy Update: 2026	1	
Age Friendly Healthcare through Interprofessional Education		1
Bridging the Distance: Tackling Social Isolation and Loneliness with a Multidisciplinary Perspective		1
Promoting Science: Practical Advice to Maximize the Impact and Value of Evidence Beyond Publication	1	
New Tools for Old Problems: Advancing Functional Assessment in Aging Paper Session	1	
CPT Coding: Beyond Basic E/M		1
Advancing Public Policy that Supports All of Us as We Age		1
An Update on Sleep Apnea and Sleeping Pills in Older Adults: Navigating New Evidence and New Sleep Medicines	1	
Acute Illness, Resilient Responses: Advancing Physical Resilience in Geriatric Acute Care	1	
Integrating Lifestyle Medicine with the 4Ms: A Practical Framework for Optimal Aging		1
Age Friendly Healthcare Initiatives in the Veterans Administration		1
Geriatric Education Materials and Methods Swap II	1	
Clin-STAR Paper Session	1	
Alzheimer's Disease: What a Geriatrician Should Know about New Treatments and Tests	1	
Wound Care Updates: Reclaiming a Lost Geriatric Syndrome	1	
Dysphagia in Hospitalized Older Adults: Clinical Challenges, Cultural Contexts, and the Geriatrician's Role in Shaping Solutions	1	
Measuring 4Ms Care in the Inpatient Setting: Strategies and Insights from Three Health Systems		1
Brain Health in Context: Biology, Diagnosis, and Care Delivery Paper Session	1	
Geriatrics Literature Update: 2026	1	
Artificial Intelligence in Geriatric Primary Care: Practical Tools for Diagnosis and Clinical Efficiency		1
Age Friendly Health Systems: How to Turn Your Quality Improvement Work into Scholarship and Advance the Science of Age Friendly		1
2026 Update on Vaccination Strategies for Older Adults	1	
Geriatric Education Materials and Methods Swap III	1	
Who Benefits, Who Breaks? Measuring Surgical Outcomes in Older Adults Paper Session	1	
Deprescribing at the End of Life	1	
What Matters Most: Interdisciplinary Implementation Panel		1
Lightning Science: Brief Presentations of Top-Rated Abstracts	1	
From Learner to Leader: Elevating Geriatrics in Healthcare Quality		1
Health Service & Policy Research Paper Session		1
