SPECIAL INTEREST GROUPS

6:00 PM – 7:00 PM EASTERN
ACUTE CARE
Track: Networking
Co-Chairs: Caitlin Jones, MD & Priscilla Yee, MD
The mission of the Acute Care SIG is to improve hospitalization outcomes for older adults through improvements in clinical care, dissemination of research findings, and promotion of health professional education.

6:00 PM – 7:00 PM EASTERN
ALCOHOL, TOBACCO, AND OTHER DRUG USE (ATOD) AMONG OLDER ADULTS
Track: Networking
Co-Chairs: Benjamin H. Han, MD, MPH; Kimberly Beiting, MD; Justina L. Groeger, MD, MPH
The mission of the Alcohol, Tobacco, and Other Drug Use (ATOD) Among Older Adults Interest Group is to address the dramatic increase in older adults with unhealthy substance use and substance use disorders. This SIG brings together an interdisciplinary group of professionals with clinical, educational, and/or research interests in reducing the harms of alcohol, tobacco, and other drug use in older adults. Our group also focuses on national collaboration to provide education and research in the care of older adults with substance use disorders.

6:00 PM - 7:00 PM EASTERN
CARDIOVASCULAR DISEASES AND AGING
Track: Networking
Co-Chairs: Ariela R. Orkaby, MD, MPH & Min Ji Kwak, MD, MS, DrPH
The mission of the Cardiovascular Diseases and Aging Special Interest Group is to provide an official forum for AGS members who are dedicated to providing high-quality and safe care for older adults with cardiovascular diseases. The members will engage in activities (1) disseminating the up-to-date evidence in geriatric cardiology; (2) collaborating on various research projects; (3) discussing the current challenges and solutions in care for older adults with cardiovascular diseases in real-world practice; and (4) networking nationally and internationally. The forum is open to AGS members from diverse backgrounds.

6:00 PM - 7:00 PM EASTERN
CLINICAL RESEARCH IN DEMENTIA
Track: Networking
Chair: Noll L. Campbell, PharmD, MS
The mission of this SIG is to bring together AGS members who are dedicated to advancing the health care of older adults living with dementia by advancing clinical research in geriatrics across disciplines and care settings; to disseminate interdisciplinary, evidence-based clinical knowledge about the management of dementia in older adults.

6:00 PM - 7:00 PM EASTERN
ELDER MISTREATMENT
Track: Networking
Co-Chairs: Julia Hiner, MD & Carrie Rubenstein, MD
The mission of this SIG is to improve the lives of older adults affected by elder mistreatment through clinical care and prevention, education, research, resource-sharing, and advocacy efforts. Our members include national leaders, health professionals, educators, researchers, and learners-in-training. We strive to spearhead elder mistreatment (including elder abuse, neglect, exploitation) initiatives in our communities, country, and globally, and raise awareness for issues surrounding elder mistreatment, while also serving as a networking group for colleagues.

GERIATRICS CONSULTATIVE SERVICES
Track: Networking
Chair: Ella H. Bowman, MD, PhD, AGSF, FAAHPM
This meeting is open to anyone interested in geriatric medicine consultative services across all care settings. Participants will collaborate with fellow attendees about how geriatrics consultative services are provided in various clinical settings. Our discussions focus on what services are in demand; the types of older adults we are asked to see; various collaborative efforts with other services; billing processes and
The Geriatric Emergency Department (GER-ED) Special Interest Group brings together all health professionals interested in improving the care of older adults in Emergency Departments. We review the challenges older adults face in EDs and work on creating collaborative models of care to sustain the development of Geriatric EDs and Age Friendly Initiatives in Emergency Departments. Please join us to explore growing opportunities to advance the care of older adults in Emergency Departments.

The mission of this SIG is to increase awareness for considering the needs of older gay and lesbian, bisexual, and transgender persons and to foster a more formal analysis and observation of these needs.

This SIG promotes awareness of palliative care issues in the geriatrics community and hopes to identify and build on synergies that exist between geriatrics and palliative care.

The Polypharmacy SIG is dedicated to issues related to medication use in older adults. Our goal is to facilitate education and discussion on this topic, both within the group and for a wider audience.

The mission of the SIG is to support Tideswell scholars and leaders in geriatrics through mentorship, networking, continued leadership training, and scholarship with the ultimate goal of a commitment to enhancing the care of older adults through clinical work, research, and education.
